

## Meet the team

### Keye S.K. Chow

SENIOR VICE PRESIDENT  
DIRECTOR OF RESEARCH  
SENIOR ANALYST

Keye Chow is Senior Vice President, Director of Research and Senior Analyst covering the health care sector. He joined Alger in 2021 and has 19 years of investment experience. Before joining Alger, he was a senior equity analyst and sector portfolio manager at Invesco, where he led fundamental research and stock selection across health care services, medical technology and biopharmaceutical companies. Prior to that, Keye was an equity analyst covering health care and technology at several investment managers, including Millennium, Credit Suisse, Ivory Capital Management and Palmyra Capital Advisors. He also gained experience in the technology industry during his time in business development and corporate development roles for Documentum and RSA Security, respectively. Early in his career, he worked as an investment banker at Merrill Lynch and a strategy consultant at LEK Consulting. Keye earned a B.A. in English and an M.S. in Industrial Engineering at Stanford University. He also earned an M.B.A. from Harvard Business School.

#### About Alger

Founded in 1964, Alger is widely recognized as a pioneer of growth-style investment management. Headquartered in New York City with affiliate offices in Boston, Denver, and London, Alger provides U.S. and non-U.S. institutional investors and financial advisors access to a suite of growth equity separate accounts, mutual funds, ETFs and privately offered investment vehicles. The firm's investment philosophy, discovering companies undergoing Positive Dynamic Change, has been in place for over 50 years. Weatherbie Capital, LLC, a Boston-based investment adviser specializing in small and mid-cap growth equity investing is a wholly-owned subsidiary of Alger.
